ENGAGEMENT MODELS

Choose the level of capacity and control your business needs — from a single specialist to a fully managed offshore operation.

Our Core Service:

1 Dedicated Remote IT Teams
A long-term, integrated team aligned to your roadmap and hours.

2 Staff Augmentation
Add specialist skills to your team — you stay in control.

3 Offshore Dev. Center (ODC)
A structured, scalable offshore operation — people, leadership, infrastructure included.

4 Complete Project Delivery
Hand us the outcome. We handle strategy, execution, QA and launch.

HOW IT WORKS

Delivery runs on your business hours, with regular updates throughout.

Share The Goal
— tell us what to build or scale.

01

04

GROWTH & SUPPORT

Sustained visibility, response and support that keep your business growing after launch.

SEO Services

One organic growth system — technical fixes, content clusters, link building and clear reporting on results.

Customer Support Outsourcing

Managed helpdesk and back-office support — faster response, happier customers, more captured leads.

Digital Marketing

Content, social and paid strategies designed around one goal: ROI.

Website Maintenance & Support

Specialists keep your site updated, secure and performing — always.

DIGITAL SOLUTIONS

Need a complete project delivered instead? We also offer full digital solutions — website, app & custom software development.

Website Development & Maintenance

Fast, secure, pixel-perfect websites — responsive, SEO-ready, built to perform. Ongoing maintenance keeps everything updated, monitored and secure, so you can focus elsewhere.

Mobile App Development

iOS, Android and cross-platform apps built for smooth performance and intuitive design — fast, reliable, cost-effective.

Custom Software Development

Custom enterprise systems, automation tools and SaaS platforms — structured, transparent, client-focused end to end.

DIGITAL SOLUTIONS

Partner with a dedicated Creatricx project team to strategize, design, develop, test, and launch the right solution for your business.

UI/UX & Graphic Design

User-centered design across UI/UX, branding and graphics — visual, usable, consistent.

AI Automation

AI-driven automation that streamlines operations — chatbots, agents, workflows and insights, built to scale.

Cloud Solutions

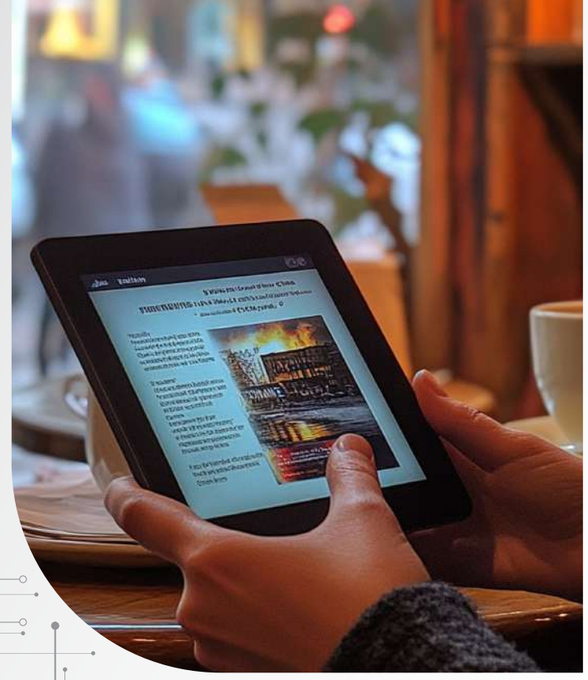

Secure, scalable cloud migration, infrastructure and hosting — better performance, lower cost.

E-Commerce Solutions

Secure, scalable online stores — smooth checkout, payments and inventory, for shops of any size.

PUBLISHING SERVICES

In addition to IT and Digital services, we also support businesses with specialized eBook & publishing solutions.

A

Book & E-Book Writing

Original book and e-book writing, start to finish

B

Editing & Proofreading

Professional editing, proofreading, manuscript polish

C

Cover Design & Formatting

Cover design, print and e-book formatting

D

Publishing Setup

Platform setup, metadata, publishing support

E

03 | **Quality Assurance**
Structured quality checks at every stage, every time.

04 | **Customer-Centric Approach**
Solutions shaped around your goals — tailored, meaningful, measurable.

05 | **Secure Collaboration**
NDA-backed, access-controlled, privacy-conscious — your data, protected.

THE CREATRICX DIFFERENCE

Partnering with Creatricx beats hiring, managing and scaling the capability yourself.

No Hiring or HR Hassle

We handle hiring — you focus on business.

Dedicated Team Members

Close collaboration, real accountability, outcomes you can count on.

Cost-Effective Solutions

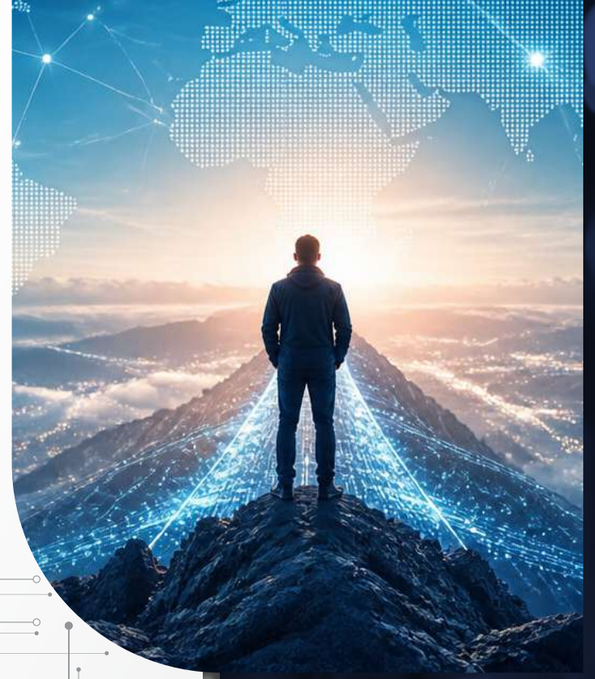

High-quality work at costs that make sense.

Secure & Controlled Access

Secure systems, controlled access, complete confidentiality.

OUR MISSION

At Creatricx, our mission is simple yet profound: to empower businesses by providing innovative, reliable and cost-effective IT solutions and remote talent.

We are dedicated to helping our clients succeed in their respective industries by offering flexible engagement models and services that enhance their operational efficiency, market presence and overall business performance.

We believe our success is directly tied to the success of our clients, and as such, we go above and beyond to ensure that every engagement — whether a single specialist, a dedicated team, an ODC or a complete project — meets the highest standards of quality and excellence.
